APPLICANT'S CERTIFICATION

I hereby submit this application for an airport ID Badge and agree to the following:

By submitting this application for an ID Badge, I agree to comply at all times with the security rules and policies of ACAA, including the provisions of Chapter 25 and the Transportation Security Administration (TSA), an agency of the United States, including the provisions of Title 49, CFR, Parts 1540, 1542, and 1544. All ID Badges remain the property of ACAA. ACAA reserves the right to revoke authorization for an ID Badge where such action is determined to be in the best interest of airport security. I will immediately return my ID Badge to the Airport ID Badge Office upon notification that my authorization has been revoked. My ID Badge may not be transferred to another individual or used for any purpose by another individual.

I will visibly display my ID Badge outside my garments on my upper body whenever I am in the SIDA. I understand that use of the ID Badge constitutes my consent to any search of either my person and/or accessible property when entering a direct access point or while present within a secured area, sterile area, or AOA. I will not aid nor participate in "piggy-backing" (allowing unauthorized access to secure or restricted areas) where it is prohibited at high security doors as detailed in the SIDA training. Nor will I otherwise breach, disobey or disregard any security directive, plan or program at the airport. If I am granted an ID badge entitling me to escorting privileges, I assume responsibility for the person or persons being escorted at all times. If I am acting as an escort, I must display my airport ID badge while performing escort duties and assume total responsibility for the person(s) I am escorting. I will ensure the person I am escorting has an operational need for admission through an access point. The person I am escorting is required to display an airport issued personnel escort pass at all times. I must be in visual contact and exert control of the escorted at all times. If a breach occurs, immediately report the incident to the ACAA at 412-472-5700.

I am aware that personnel escort badges are not intended for use by full time employees attempting to avoid Airport ID Badge procedures. I will challenge any person who enters a secured/restricted area if the person does not properly display an ID Badge. The challenging procedure is to inform the individual they are in a secured area and must display a valid airport ID badge. If the person I challenge fails to produce a valid ID Badge, I will immediately notify the ACAA at 412-472-5700. I will immediately notify the ACAA at 412-472-5700 of any unattended bags and or suspicious activity. If I am a contractor with an airport ID badge, it is valid only within the construction site to which I am assigned by my employer, within those areas authorized by ACAA and only until the contract is closed out and/or terminated or suspended. In the event of any change in my employee status (i.e. transfer, job title), I will obtain a new ID Badge noting the change and return the original ID Badge to the Airport ID Badge Office.

I will immediately notify the Airport ID Badge Office if my ID Badge is lost or stolen. A non-refundable minimum fee of \$40.00 will be assessed for the replacement. The Airport ID Badge Office will collect the fee before a replacement ID Badge is issued. A replacement ID Badge may only be issued if I declare in writing that the ID Badge has been lost, stolen, or destroyed. If my driver's license is suspended, revoked or changes in status, I will immediately inform the Airport ID Badge Office and make any necessary updates to my badge. I understand and agree to comply with the terms and conditions provided for in this application and agree to comply with any changes or amendments to the terms and conditions that may be imposed by ACAA. The information that I have provided on this application is true, complete, and correct to the best of my knowledge and belief and is provided in good faith. I understand that a knowing and willful false statement on this application can be punished by fine or imprisonment or both.
